## IBA-PU ALUMNI CANADA

### ALMA MATER MAVERICKS

July began with a vibrant Canada Day Family Hike, where families enthusiastically participated, creating a wave of red. The hike concluded with a delightful picnic. Due to extreme heat, no hikes were scheduled for the rest of July, but more are planned for August, weather permitting. Our fundraising campaign for the Canadian Cancer Care Society is thriving as we continue to accumulate steps.

An exciting milestone was reached in July with the inaugural executive committee of the Alumni assuming their responsibilities. Looking ahead, the long-awaited family picnic has been finalized by the events committee, with more details to come. We extend our gratitude to the alumni member who have generously offered their farmhouse for this event.

We eagerly await your thoughts, ideas, and feedback.
